Hurricane Harvey Relief

The devastating impact of Hurricane Harvey from Corpus Christi to Houston and the surrounding areas have left all of us feeling for our friends and family in the area and looking for ways that we can provide assistance. We have received several calls asking if we could provide some guidance as to organizations serving in and around the area that will undoubtedly need our support.

Our partner at Charity Navigator (a leader in charitable research and evaluation) has provided a list of several 501(c)(3) organizations serving the area along with their Navigator rating.
